Two or more players who go to the same school and play in the same section of the tournament are automatically considered a team for the purposes of this tournament. More details will be available when we open registration. Detailed team eligibility information can be found on the VA Chess website at [this helpful link](http://this helpful link).

**PLAYER ELIGIBILITY:** All players in the Scholastic sections (K-12, K-8, K-5, K-3) must be Virginia residents. In the College section, players must be attending college in VA or be a VA resident attending college out of state. All college players must be high school graduates. U.S. Chess Federation membership is required for all players. Players can join US Chess or renew their membership through the VCF at [www.vachess.org](http://www.vachess.org) and select the "Join/Renew US Chess" tab on the left side of our webpage. We offer a small discount on US Chess Federation membership. If you prefer, you also can join/renew your US Chess membership directly with US Chess, go to [www.uschess.org](http://www.uschess.org) and hover your cursor over the "Join" option near the top of your screen.

**AWARDS:** Tons of trophies! See [www.vachess.org](http://www.vachess.org)

Please do not contact the school for any information about this, the school relies on the VA Chess Federation to collect and consolidate all Team Room requests.
